PROFESSIONAL EXPERIENCE

Marketing Strategist (Full-time) — Epicere India, Delhi, India Jan 2023 – Mar 2024
B2B2C Shopper-Marketing Platform (rewards app for FMCG brands & grocery retailers)

- Grew platform to **32,000** users and **2M+** homepage impressions — built and executed marketing and commercial strategy.
- Delivered **4,500** monthly conversions — pay-for-performance campaigns optimised and reported to stakeholders.
- Onboarded **75%+** of **50+** targeted retail partners — needs analysis, pitching and terms negotiation directly with owners.
- Built **performance dashboards** — Power BI and Tableau reporting tracked KPIs across sales and marketing.
- Conducted **competitor benchmarking** and consumer insight research — informed positioning and market strategy.
- Sustained **13 minutes** daily engagement per user — produced segment-tuned content and point-of-sale assets.

Research Analyst (Internship) — MV Kini and Co., Delhi, India Jun 2022 – Dec 2022

- Surfaced insights for senior stakeholders — analysed large, complex datasets across multiple categories and sources.
- Sharpened reporting rigour — structured **Statements of Work** and analytical reports reviewed at senior partner level.
- Reduced operational risk and inefficiencies — redesigned **cross-functional workflows** across teams and leadership.
